

# **\$250 Reward.**

**R**ANAWAY from the home farm of the subscriber on Saturday night, the 11th inst., a Negro man called **SEENEY**, or Henry Seeney. He is about 22 years old, complexion dark; about six feet high and well made—is rather polite and pleasant in his manners; clothing not recollected.

I will give \$50 for his apprehension in the county, \$100 out of the county and in the State, and \$250 out of the State and so secured that I get him again
